Bookmark Collection:

The Bookmark 21-series Family by Media Technologies is a comprehensive suite of wood furniture designed to create inviting and functional environments, particularly for libraries, schools, and collaborative spaces. Its strength lies in its modularity, classic aesthetic, and robust construction, offering a cohesive design approach.

The Bookmark 21-series Family offers a comprehensive suite of solutions, including:

Modular Shelving: Versatile wood shelving systems that adapt to evolving collections and provide diverse display options.

Integrated Bookstack Benches: Comfortable seating seamlessly built into or complementing shelving, creating inviting reading and study nooks.

Durable Tables: Robust wood tables designed for focused individual work or dynamic group collaboration.

Privacy Carrels: Individual study stations providing focused, quiet environments with minimal distractions.

Modular Circulation Desks: Fully customizable components that form efficient and welcoming service points

Design Your Story.

Designer Lines End Panels

End Panel Options: While a standard, un-detailed "Bookmark" end panel exists, the shelving can be customized with various "Designer Line" end panels (e.g., Malibu, Metro, Heritage) to match diverse architectural styles across various products.

- Adds a beautiful wood detail theme to your space
- Available for wood veneer 21-, 31- Bookcases
- For single-and double-faced starters
- These go perfectly with Designer Lines Modular Circulation Desk components and Designer Lines end panels for cantilever shelving.

21 SHELVING

Options

Enhance the versatility of your shelving with our offering of useful shelving options. Protect the contents of your shelf unit with glass or wood doors. Create merchandising or display areas with the addition of Slatwall or Tackboard to your end panels. Our assortment of wood and steel shelf accessories and additions help you accommodate all types of content.

Tack & Slatwall

*End panels shown are added to the exterior, we prefer constructing with integral slatwalls.

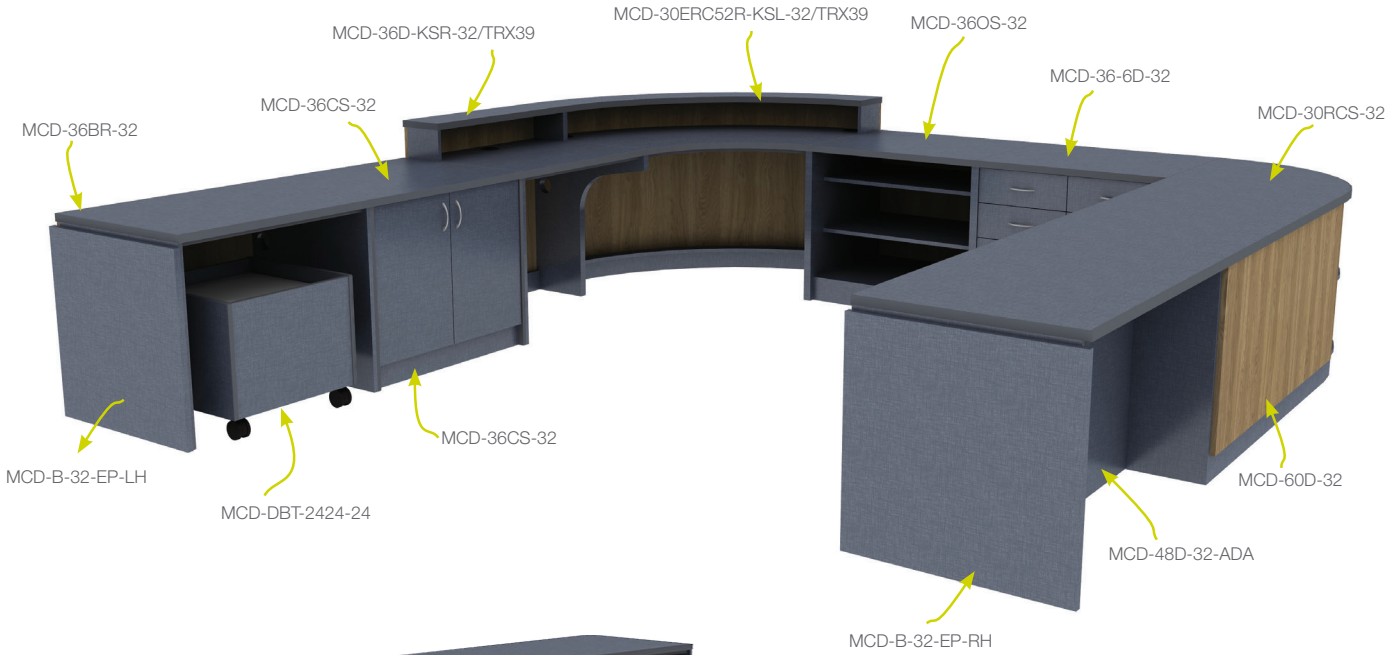
Modular Circulation

Choose from over 20 modular desk components to create a custom circulation solution that meets your unique footprint and performs to meet your specific needs.

Units ship fully-assembled for ease in installation. Desks can be specified with coordinating accents to our “designer series” bookcase end panels. Contrasting and non-contrasing HPL, oak and maple veneer and Sprayon finish options. Please visit our website at https://www.mediatechnologies.com/resources/finishes for a complete list of all standard finish options. Desks can also be configured to include an ADA Compliant desk module.

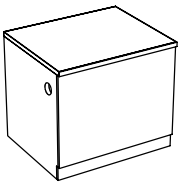


Modular Circulation

STANDARD DESIGN FACADES FOR MODULAR CIRCULATION DESKS

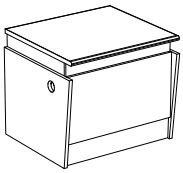
To specify a design line you must include a letter indicator: no letter indicator will specify our standard Bookmark design.

Bookmark



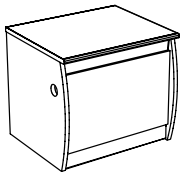
No detail.
Model Number example for Bookmark desk unit is MCD-36D-29

Keystone



A modern design using laminate inlay details and tapered end panels.
Model Number example for Keystone desk unit is MCD-**KS**-36D-29

Malibu



A modern style design using curved end panels with laminate inlay details at top and bottom applied to the patron side of most modular units.
Model Number example for Malibu desk unit is MCD-**MB**-36D-29
