POCKET LOUNGE

CUT SHEET

Shown with Crayon Table
and TV Monitor

- 90-degree Curved Settee.
- A great interactive component for team seating applications.
- Available in high-pressure laminate with PVC edges or premium oak or maple veneer finishes with wood edges.
- 1" thick back panel is self edged.
- Pairs well with round, "D" and "light bulb" shaped table tops, Pocket Café Counter settees.
- Vinyl and Fabric upholstery available; can use a combination of both.
- Powder coated 5/16" plate steel legs fitted with 1 - 7/8" black leveling glides.
- Available as mobile seating units with casters.

To Order Specify

Base and Back Panel: Choose from our high pressure laminate selections or Oak or Maple veneers in many standard finish options. Sprayon Finishes available for veneer. Choose edgebanding for base (Back panel is self-edged).

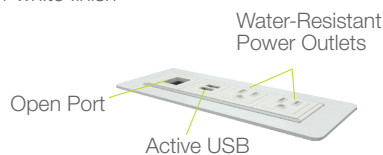

Legs: Select a powder coat color or casters.

Seat Cushion: Select fabric for seat and back cushion.
